Sign up for Boots to Business, an entrepreneurship training program for Servicemembers and their spouses.

## OWNING A SMALL BUSINESS

Veterans have the character, discipline and skills needed to succeed as small business owners and entrepreneurs. Wondering what it takes and how you can prepare? Boots to Business can help.

## ABOUT BOOTS TO BUSINESS

Boots to Business is a two-step entrepreneurial training program that provides participants an overview of business ownership as a career vocation, an outline and knowledge on the components of a business plan, a practical exercise in opportunity recognition, and an introduction to available public and private sector resources.

Step one is the Introduction to Entrepreneurship course eligible to Veterans of all eras, service members and their spouses. This course is instructed by SBA and its partners, who are skilled business advisors.

Step two is one of the online follow-on courses instructed by a consortium of professors and skilled business advisors from the SBA Network. If you've already attended an in-person Boots to Business or Reboot class, visit <https://sbavets.force.com/> to sign up for one of the online B2B follow-on courses.

Note: All SBA programs and services are extended to the public on a nondiscriminatory basis. Reasonable arrangements for persons with disabilities will be made if requested at least two weeks in advance. Contact: the Boots to Business team at 202-205-8381 or email [boots-to-business@sba.gov](mailto:boots-to-business@sba.gov).
